Summer Support

Year 8

Are you on track with your recent studies? Look through this checklist of key topics and see if you have an understanding of the key ideas. If you discover a gap in your knowledge use the highlighted tasks from the recently set work to fill in any gaps. Highlight any areas you need to work on.

<p>Impacts of flooding in Indonesia: I have researched the proposal to relocate the capital city in Indonesia from Jakarta to Borneo and have submitted a 9 mark answer discussing to what extent I agree with this decision. To redo and improve your answer you can work through the following powerpoints which are saved on Teams—Class Materials—Summer Support:</p> <ul style="list-style-type: none"> • Why should Jakarta be relocated? • Should the capital city be relocated to Borneo? 	<p>✓ / ✗</p>
<p>Rivers and flooding: I have developed a good knowledge and understanding of the hydrological cycle, the drainage basin of a river and river processes. I have completed a key word and knowledge test to show this. To redo and improve your key knowledge test result, you can work through the powerpoints below which are saved on Teams in Class Materials—Summer Support:</p> <ul style="list-style-type: none"> • Drainage basin of a river • River processes • River journey and landforms • Rivers and flood management knowledge test 	
<p>Tropical rainforests: I have developed a good knowledge and understanding of the tropical rainforest and the reasons to conserve it. I have answered the 9 mark question:</p> <p><i>The Belo Monte Dam is a large-scale construction project in Brazil. Do you think the dam should be built? Justify your choice.</i></p> <p>To redo and improve your answer you can refer to the following resources which are saved on Teams under Class materials—Summer Support:</p> <ul style="list-style-type: none"> • What are the impacts of the Belo Monte Dam?
