

Business Studies

Year 9

Summer Support

You will be studying the AQA GCSE specification. We will be starting the year by looking at Unit 1—Business in the Real World. Over the summer you may wish to familiarise yourself with some of the initial topics that we will cover in this Unit. BBC Bitesize has some excellent resources that are specific to the AQA Business GCSE and can be found [here](#).

Watch the following clips to help develop your understanding of some of the key topics

Have I watched the clips?	✓ / ✗
1. Purpose of business Purpose of business - The purpose and nature of businesses - AQA - GCSE Business Revision - AQA - BBC Bitesize	
2. Business ownership Sole traders - Business ownership - AQA - GCSE Business Revision - AQA - BBC Bitesize	
3. Business planning Business planning - AQA - Video - GCSE Business - BBC Bitesize	
4. Expanding a business Expanding a business - AQA - Video - GCSE Business - BBC Bitesize	

Note down some of the key terms in each of the clips and look up the definition in the business glossary that can be found [here](#) at the bottom of the page.

Challenge Time - Want to explore your Business understanding even further?

Keep an eye on the news! The BBC website is an excellent source of information, particularly the business pages, which can be found [here](#). You may see a story that is of particular interest to you. If so, print it off and bring it along to your first lesson as we will be discussing business stories from over the summer.
